**Please consider a Donation**

Your donation to Lyric Theatre at the Sorg helps bring powerful, affordable theatre to our community—and it supports much more than what you see on stage. Your donation supports: licensing, royalty fees, materials for sets, costumes, props, lighting & sound. Your generosity is key to our success and advancement of the arts.

Your donation not only helps to minimize our costs but contributes to our efforts in showing support for the Sorg Revitalization Groups, ongoing work to restore and re-imagine this historic venue. Every dollar you give directly supports our mission to create high-quality, inclusive theatre—and to be a meaningful part of the Sorg's continued revival.

Thank you for helping us make this vision a reality.
